ISSUE NO. 13

SPECIAL FIRST FALL MEETING.....The R.L. DRAKE CO.!! Sept. 14. 8:00 P.M. - Fri.
 Night, United Christian Mission.... 222 S. Downey. ALL AMATEURS WELCOME!!!
 Talk-in Freq: 146.16/.76 and .94/.94

TECHNICAL PROGRAM: Mr. Doug H. Horner, Manager of Amateur Sales for the R.L. DRAKE CO, of
 Miamisburg, Ohio, will present a Technical Program on the following
 Drake Equipment: R-4C, T-4XC, and TR-22. This is an outstanding program
 to start the fall season. DON'T MISS THIS FOR ANY REASON++++

The Indianapolis Hamfest on August 12, 1973, was quite a success despite the wind-
 storm and rain. The IRC had a display in a tent manned by Alvey Pittman, W9EL;
 Art Schultz, W9BR, Bill Lueth W9AI, and Jim Sugioka, W9CKB, Doug Loughmiller WB9KPC,
 and Louie Linthecome K9EAT. There were others whose calls we did not report. The
 winner of the frequency guessing game was Doug Loughmiller who guessed 3,910 KH₂;
 the actual frequency was 3,950 KH₂. Bill Lueth, the chairman, said that some of the
 guesses ranged from broadcast band clear into ultra frequency bands. The Indiana-
 polis Hamfest was a great success and the largest ever held and the IRC played an
 important part in it's success. Quite a few of the IRC members were there the day
 before helping with the set-up and the day following to help take the concessions
 down.

The IRCC Annual Hamfest was held at Lafayette on Aug. 19. There was threat of rain
 but it did not come down. Bill Johnson, W9BUQ, member of our IRC was awarded the
 IRCC outstanding amateur of the year plaque at the meeting. Congratulations Bill
 for receiving this fine award. Those fortunate enough to receive lucky numbers and
 prizes were George Long K9CBV and Bill Lueth W9AI. Bill's prize was a map of
 the world which he has donated to decorate the room of W9WE Memorial Radio Station
 of the Disciples Amateur Radio Fellowship. Those attending were Bob Caskey W9DNQ,
 Charlie Manning W9GGP, Art Schultz W9BR, Howard Severied W9DPL and Jim Sugioka W9CKB.

Wally Fox W9VKZ, Bill Lueth W9AI and Jim Sugioka W9CKB repaired the broken quad of
 the Disciples Amateur Radio Fellowship Station W9WE. Bob Caskey, W9DNQ visited with
 John Jones at Camden, Tennessee. You all will remember John, W9FZW as an active mem-
 ber of the group.

Jim Sugioka W9CKB attended Chautauqua at Chautauqua, New York after fifty years of
 planning to attend. He took with him a transceiver and was able to get road direct-
 ions from the hams enroute over and back.

The most important news, of course, is that Mr. Doug Horner of the R.L. Drake Co.
 will be the speaker at the first meeting of the season. Sept. 14.

REMEMBER!!!! Awards Dinner Nov. 9th.--- Start thinking, and writing your letters
 of nominations.

COME EARLY.... Code Class will start at 7:30 for a thirty minute period before the
 meeting starts.
